## Cool Off & Have a Blast at Dallas' Family Waterpark

Bahama Beach Waterpark is the perfect place to cool off this summer. From Memorial Day weekend through August 16, Bahama Beach offers the best family waterpark value in the metroplex. Conveniently located only ten minutes south of downtown Dallas, you can get away from it all without ever leaving town. We have everything from 45 foot tall slides for the big kids and adults who are young at heart, to an interactive water playground with a 1000 gallon dumping bucket for the little ones. For those who want to kick back and relax, grab a tube, wade into one of two zero depth entry beaches, and take a float down the lazy river. Plenty of shade, reservable private cabanas, and a concession stand to satisfy all of your summertime cravings tops it all off. Bring the whole family and make a day of it at Bahama Beach Waterpark!

### Admission Ticket Prices

**General Admission** - 48" and taller - \$15.00  
**Junior Admission** - Under 48" tall - \$11.00  
**Age 2 and Under** - Free  
**Season Passes** - \$60.00  
**Premium Passes** - \$90.00  
**Cooler Fee** - \$5.00

### Check Out Some Of Our Rides & Attractions

#### COCONUT COVE

This interactive water rain fortress playground has enough activities to provide kids with hours of fun. The colorful play feature includes pulleys, rope ladders, water buckets, geysers, three 40 foot slides and an oversized 1,000 gallon dumping bucket.

#### TORTUGA EXPRESS

Don't miss the speedy descent on this headfirst, 300-foot four lane mat racing slide. Grab your friends and race to the bottom to see who is the fastest.

#### RIPTIDE SLIDE & BAHAMA BULLET

Climb the 45 foot tower to ride down these two enclosed high-speed, inner tube slides. Ride a single tube or double the fun with a friend in a double tube.

## *Yes! The City of Dallas Does Have an Indoor Pool!*

Bachman Indoor Pool is a state of the art facility featuring five 25-meter lanes, spa, locker rooms, a family restroom, an ADA ramp and lifts and UV sanitation. Bachman Pool offers a variety of programs for people of all abilities from children to seniors. With affordable rates and programs that meet all your water fitness and recreational needs, there's no need to limit your swimming to just the summer season.

### A FEW REASONS TO CHOOSE BACHMAN POOL

- Completely renovated facilities make Bachman one of the nicest indoor pools in the Dallas area.
- Open swimming all year round. No need to wait for summer to learn to swim or start a water workout.
- A wide variety of classes are available, whether you're a senior citizen looking to stay active or a kid just learning to swim.
- Private rentals of the pool are available, including a party room for birthdays and other events.
- Spacious spa is the perfect place to soothe your muscles after your workout or to just relax.
- Bachman Pool is here for you, meaning our classes and programs will be based on your needs, preferences and feedback.

### **It's always summer at Bachman Indoor Pool, where you can enjoy aquatic recreation all year long.**

- Swim Lessons for Children & Adults
- Family Recreation Swims
- Lap Swimming
- Youth Swim Team
- Adult Swim Training - coached workouts for triathletes and swim fitness enthusiasts
- Water Exercise Classes - no swimming ability required
- Private Swim Lessons & Personal Swim Training
- Special Events
- Wipe Out! Is a popular special event at Bachman Indoor Pool

# Swim Team

The Dallas Community Pool Swim Team Program is a recreational program that introduces youth to the sport of swimming through friendly competition. Swimming on a team is a great way to increase strength and endurance, make friends and build self esteem. Swim team members receive coaching on the four basic swim strokes: free- style, breaststroke, backstroke and butterfly. The goal is to provide recreational swimmers with a positive experience swimming with those of similar ability and is intended for those swimmers who are not members of a year round swim program. It is recommended that youth have completed level 3 of American Red Cross swim lessons prior to joining the swim team. Swimmers who cannot successfully swim one length of the pool using one of the basic swim strokes will be directed to the Learn to Swim program.

All swim teams meet three days a week during the months of June and July. Cost is \$50.00 for the summer and includes eight weeks of practice, a t-shirt, and participation in all swim meets except the TAAF Qualifying Meet.

# Water Safety Tips

The City of Dallas Park and Recreation Department's Aquatic Services Division wants you and your family to be safe in and around the water and suggests you follow these Red Cross Water Safety Tips.

## FOLLOW THESE GENERAL WATER SAFETY TIPS FOR A FUN AND INJURY-FREE SUMMER

- **Don't swim alone.** Keep an eye on your child at all times. Remember, kids can drown in seconds and in silence. Swim in areas supervised by a lifeguard.
- **Obey posted rules.** Read and obey all posted signs and follow the rules and directions given by lifeguards.
- **Always be aware.** Be knowledgeable of the water environment you are in and its potential hazards.
- **Enter safely.** Use a feet first entry when entering the water. Do not dive in shallow water.
- **Take precautions.** Children and inexperienced swimmers should wear a proper U.S. Coast Guard approved personal flotation device.
- **Avoid alcohol.** Do not mix alcohol or any other drugs with swimming, diving or boating.
- **Protect yourself.** Use sunscreen with at least SPF 30 and both UVA and UVB protection and be sure to re-apply after swimming. Even a few serious sunburns can increase the risk of getting skin cancer.

## **FOLLOW THESE CENTER FOR DISEASE CONTROL GUIDELINES TO PROTECT YOURSELF AND YOUR FAMILY AGAINST RECREATIONAL WATER ILLNESSES.**

What is the first thing that pops into your head when you think about water safety? Drowning? Lightning? Slipping? All are important safety issues, but you should know that people often become sick from germs found in contaminated recreational water.

### **WHAT ARE RECREATIONAL WATER ILLNESSES (RWIs)?**

RWIs are the various illnesses caused by germs that can contaminate water in pools, lakes and the ocean. The most common RWI is diarrhea, caused by germs like Cryptosporidium, Giardia, Shigella, and E. coli O157:H7.

### **HOW IS DIARRHEA SPREAD?**

Pool water is shared by every swimmer. A person with diarrhea can easily contaminate the pool with fecal matter. Diarrhea is then spread when swimmers swallow this contaminated pool water.

### **DOES CHLORINE PROTECT AGAINST RWIs?**

Yes, germs causing RWIs are killed by chlorine, but it doesn't work right away. Some germs, like "Crypto", can live in pools for days. Without your help, even the best-maintained pools can spread illness.

### **GENERAL HYGIENE GUIDELINES FOR ALL SWIMMERS**

- Please do not swim when you have diarrhea. You can spread germs in the water and make other people sick.
- Please do not swallow the pool water. In fact, avoid getting water in your mouth.
- Please practice good hygiene. Take a shower before swimming and wash your hands after using the toilet or changing diapers. Germs on your body end up in the water.

### **SPECIAL GUIDELINES FOR PARENTS OF YOUNG KIDS**

- Please take your kids on bathroom breaks or check diapers often. Waiting to hear "I have to go" may mean it's too late.
- Please change diapers in a bathroom and not at poolside. Germs can spread to surfaces and objects in and around the pool and spread illness.
- Please wash your child thoroughly (especially the rear end) with soap and water before allowing them to swim to minimize fecal matter being transferred to the pool.

## Choosing Your Child's Level

The Red Cross Learn to Swim program progresses from complete beginner to swim team or lifeguard/swim instructor ability. Most levels require more than one session to complete. Choose a class level from the descriptions below. On the first day of lessons, instructors assess the skill level of each student and may move students within class levels. All sessions are \$40 for 8 lessons. Classes are 30 minutes for 3-5 yrs and 40 minutes for 6 yrs+.

### **PARENT – CHILD AQUATIC PROGRAM (6 MOS–2 YRS)**

Guardian is required to be in the water with child. Parents will receive information/techniques to help them orient their child to the water in a safe and comfortable manner and supervise water activities. Water adjustment is the goal. Elementary swim skills covered include: holding positions, water entry, bubble blowing, supported front & back movement, underwater exploration and rolling over.

### **LEVEL 1: INTRODUCTION TO WATER SKILLS (3YRS+)**

Instructors focus on encouraging students to be comfortable in the water and teach skills which are fundamental to the swimming process such as supported floating and kick on front and back, alternate arm action and water safety rules and skills. Student must have some water adjustment and be able to stand up in 3 ½ feet of water by him/her self.

FOR PRIVATE LESSONS  
CONTACT AQUATIC STAFF FOR INFO  
CALL: 214.670.1926

**LEVEL 2: FUNDAMENTAL AQUATIC SKILLS (3YRS+)**

Students will learn to float without support and to propel themselves through the water on the front and back using alternating arm and leg actions on the front and back, rhythmic breathing, and additional water safety skills. Choose this class if your child is comfortable putting their face in the water and can float for a second or two (front or back).

**LEVEL 3: STROKE DEVELOPMENT (3YRS+)**

Students will learn to coordinate breathing within the stroke for increased comfort and the ability to swim for greater distances. Skills covered include fundamentals of elementary backstroke, treading water, butterfly kick and body motion, front and back crawl and water safety skills. Choose this class if your child can glide through the water on their front or back and use some sort of arm and leg action to propel themselves through the water.

**LEVEL 4: STROKE IMPROVEMENT (6YRS+)**

Students will improve the technical aspects of their strokes for increased efficiency when swimming. Instructors will focus on increasing endurance and introducing new strokes. Skills introduced are breaststroke and sidestroke, turns at wall and water safety skills. Choose this class if your child is able to swim crawl stroke with breathing to the side for 10 to 15 yards.

**LEVEL 5: STROKE REFINEMENT (6YRS+)**

Students will refine their strokes and increase distances. Skills introduced are alternate breathing, underwater swimming, butterfly, open turns on front and back, diving safety, front flip turn and backstroke flip turn.

**LEVEL 6: ENDURANCE / FITNESS (6YRS+)**

A great way for older youth to enhance their skills and get some exercise! Students will work towards the goal of being able to swim distances and swim faster while maintaining their form and technique. Distance and time goals will be set through a cooperative decision made by the swimmer and the instructor. Students will also work on flip and open turns and competitive swimming terminology.

TO REGISTER GO TO:  
**DALLASAQUATICS.ORG**

Swim lesson schedules are listed on the following pages. If you don't see what you are looking for at a specific location, please let the pool staff know. If there is sufficient interest, additional classes may be added.

# Scholarships

## TEACH A CHILD TO SWIM SCHOLARSHIP PROGRAM

The City of Dallas Park and Recreation Department maintains a scholarship fund to help those youth who do not have the financial means to participate in swim lessons. **WE BELIEVE EVERY CHILD SHOULD HAVE THE OPPORTUNITY TO LEARN LIFESAVING SWIMMING SKILLS REGARDLESS OF THE ABILITY TO PAY.** The scholarship program is made possible through donations from businesses and individuals primarily through the water bill donation envelope program.

### Who is eligible for financial assistance?

Residents of the City of Dallas may apply for financial assistance. Approval of the application is made on an individual basis. The amount of assistance is determined using a sliding scale guideline based on the total household income and the number of people in the household.

### What type of information is required for the application?

You will need to complete a scholarship application and provide proof of Dallas residency (copy of water, utility, or phone bill) and proof of household income (a recent pay stub from your employer or a copy of last year's tax return).

### Is there a maximum scholarship amount that can be given?

The typical financial award is \$40 per child, which is the cost of one swim lesson session. Depending on the success of fundraising efforts, additional scholarships may be granted.

### Who will be reviewing my application?

The Scholarship Coordinator and a small review committee are the only people who will review your application. All information is handled confidentially. Once the application and all supporting documents have been submitted, the Scholarship Coordinator will contact you within 5 working days to review the outcome of your application.

### How do I apply for assistance?

To apply, simply contact the Aquatics office to obtain an application, download one from the website or pick one up from your local pool. Once the completed application and supporting documentation has been submitted, the Scholarship Coordinator will review all documents and contact you within 5 working days of receipt to let you know if you have been approved.

### Once approved, how do I register for class?

If approval is granted, the Scholarship Coordinator will contact you to complete your registration. If you have received a partial scholarship, you will be responsible for paying the difference. Registration is not complete until you have received confirmation from the Scholarship Coordinator.
